

Attachment 6 – Price Worksheet for Storage, Fulfillment, and Distribution of Durable Compostable Bags

The number of DCB shipments estimated to be to be purchased for the Program is presented in the table below. Bags are available in 6-gallon and 13-gallon sizes that are provided by the DCB manufacturer in rolls of 30 bags per roll and 2 rolls per box.

Proposers are to provide all costs for the storage, fulfillment, and distribution services described in this RFP. The pricing table below is intended to include all costs necessary to provide all services requested in this RFP from coordination with DCB manufacturer to receive bags to delivery of the bags to Program Participants, including delivery of bags to the Ramsey and Washington County food scrap program sites (one to two delivery location per county). In general, costs include, but may not be limited to warehousing and general care and inspection of DCBs, customer service, inventory management, shipping and handling to Participants, documentation, equipment and labor services.

The table below provides spaces for specific costs associated with for the Program. **If proposer has fee categories not listed in the table, please provide additional details for costs in a separate table by category to provide all services in this RFP.**

All pricing must be provided in US dollars (USD).

| Year | Estimated Number of Orders | Per Order | | | Annual | |
|------|----------------------------|-------------------------|-------------------------|-----------------------------|------------------------|-----------------------------|
| | | Per Order Receiving Fee | Per Order/ Per Pick Fee | Per Order Pack and Ship Fee | Annual Warehousing Fee | Annual Order Management Fee |
| 2022 | 6,374 | | | | | |
| 2023 | 15,935 | | | | | |
| 2024 | 31,870 | | | | | |
| 2025 | 63,740 | | | | | |
| 2026 | 95,610 | | | | | |
| 2027 | 117,919 | | | | | |
| 2028 | 127,480 | | | | | |

Unless otherwise stated, invoices will be submitted to the R&E on a monthly basis. The invoice shall include the fees listed above based on a monthly interval and the quantity of bags distributed to Participants during the preceding month or other invoicing as agreed to in a contract with R&E.
