RECYCLING & ENERGY**
CONNECTING VALUE TO WASTE

Issued Date: 9/16/2021

Addition(s)/Change(s)/Clarification(s):

- Change in Solicitation Response Due Date
- Change in Terms and Conditions
- Other

Questions and Answers:

1. There are three requests in the RFP to list out examples of previous work, and I wanted to confirm:

- **Are you looking for different project examples in each section? (See specific section callouts below)**
- **Is the request in 2.7 (a) the same as the "Reference Requirements" request in Attachment 2?**

A1. Vendors may use the same examples of previous work to fulfill minimum section requirements within multiple sections of the RFP so long as they meet the criteria listed (ie, if a section states that experience must take place within five years it must fit in that time frame; sections without such restrictions will be open to other examples). Vendors may include additional and/or different examples in each section if it will provide a better understanding of the vendor's qualifications, experience, and approach to this work.

2. The RFP asks us to be licensed to conduct business in the State of Minnesota and asks for a Minnesota Business Licenses Filing Number. Do you have any guidance on this?

A2. All vendors conducting business with R&E must be licensed to conduct business in the State of Minnesota and hold any other applicable licenses/credentials. For more information about registering a business, please see: [Minnesota Secretary Of State - How to start a business in Minnesota](#)

3. Will you be releasing any more Q&A or was that all the questions?

A3. Q&A took place at the pre-solicitation conference, and questions submitted by the deadline were answered in Addendum 1, both of which can be found here: [Vendors - Ramsey/Washington Recycling & Energy Ramsey/Washington Recycling & Energy \(recyclingandenergy.org\)](#). As stated in Section 1.12 of the solicitation: "All clarifications and RFP revisions will be documented in an addendum and published to R&E's website, <http://morevaluelesstrash.com/>. R&E will attempt to publish periodic addenda on a timely basis. Questions received less than ten days prior to the date for opening may not be answered."
