Questions and Answers:

1. Please clarify Sections 4.2 Pricing & 4.3 Delivery, and is pricing for a total of two trailers?

A1. Pricing for two trailers can be included on Attachment 1 – Solicitation Response Form.

Sections 4.2 and 4.3 should read:

4.2. Pricing

Pricing should be included on Attachment 1 and is to include the cost of all design, supplies, equipment, material, labor, warranty and training to furnish and ~~delivery of~~ **deliver** two **(2)** ~~(6)~~ transfer trailers. Travel costs shall be incorporated into the costs. The Contractor shall not bill separately for travel and related expenses. Travel time is not reimbursable.

4.3. Delivery

Deliveries shall be made to the Ramsey/Washington Recycling & Energy Board at the following facility address: 100 Red Rock Road, Newport, Minnesota 55055.

~~The R&E requires delivery of one (1) initial trailer of each type to confirm all design elements are satisfactory prior to taking delivery of entire order of six (6) trailers.~~

~~All trailers shall be delivered by December 31, 2019.~~ **Trailers have a desired by delivery date of April 1, 2022.**

2. Attachment 4- Ejection System- Is this supposed to be a Hallco NLR floor or is this trailer supposed to be leak proof?

A2. The intent is to use the Hallco NLR floor.

3. Attachment 4- Door- Hinge design needs to be approved by R&E? Any hinge design changes will need to be approved by MAC Trailer Manufacturing Engineering. Should we quote this as close as possible to meet quotation deadline?

A3. MAC trailer has provided the specified hinge design on trailers for R&E in the past. Previously, Shawn Fredritz at MAC trailer has been involved and should be familiar with the specified hinge design.

All Addenda are to be acknowledged on the Cover Page to be included with your submission. FAILURE TO DO SO MAY RESULT IN REJECTION OF THE SOLICITATION RESPONSE. Unless otherwise specified above, the Solicitation Response due date and time and all other Terms and Conditions remain the same.
