Re: S.F. 5234, Support for SCORE allocation

Dear Chair Rest and Members of the Senate Taxes Committee,

The Association of Minnesota Counties, the Minnesota Inter-County Association, the Solid Waste Administrators Association and the Partnership on Waste and Energy wish to thank you, Chair Rest, and the Committee for inclusion of a one-time additional allocation of SCORE recycling grant funding in the Omnibus Tax Bill.

Our organizations have been working with Sen. Dibble and many others this session on increasing the SCORE funding that counties need to keep waste out of landfills and waste-to-energy facilities and meet state recycling mandates. SCORE grants provide local governments with resources to reduce waste, foster reuse and recycling, divert organics and prevent environmental pollution from landfills.

This one-time appropriation will be very helpful as counties address the ever-increasing trash quantity and toxicity challenges counties and communities face.

Thank you,

Brian Martinson
Association of Minnesota Counties

Matt Massman, Executive Director
Minnesota Inter-County Association

Drew Hatzenbihler
Morrison County Solid Waste Administrator
President, Solid Waste Administrators Association

Commissioner Victoria A. Reinhardt
Ramsey County
Chair, Partnership on Waste and Energy
