

Recycle food scraps from home!

Did you know that over 20% of trash by weight in Ramsey and Washington counties is food scraps? By participating in the Food Scraps Pickup Program, you can help turn this material into soil, rather than waste!

Here's how it works

- Order your free supply of food scrap bags at FoodScrapsPickup.com or call **651-661-9393**.
- Collect your food scraps in the food scrap bags. At least once a week, tie a knot at the top to close the bag.
- Place your food scrap bag inside your trash cart or dumpster for collection.
- Done! Your trash is collected as usual, and the food scrap bags are separated from the trash and composted.
