

Electrical Maintenance Manager Supplemental Questions

The information you provide in this questionnaire will be used to assign you a score for the training and experience rating component of the hiring process. This information is very important. Not all applicants will move on in the selection process. If there is missing or unclear information, you may not receive full credit for your experience. The information you provide must be reflected in the work history section of your application. **Do not mark "see resume" or "see attachment" for your answers to ANY of the questions.**

SUPPLEMENTAL QUESTIONS

1. Please detail your journeyman level experience in the installation, maintenance, and repair of industrial electrical and/or electronic equipment, instruments and devices. Please include any Programmable Logic Controller (PLC) experience you have. Include the name of the employer, your job title, and your specific role and responsibilities for each experience. If you do not have this type of experience, type "n/a". **Do not write "see resume" or "see application".**

2. Please detail your experience in employee management and supervision – including experience managing in a union environment. Include the name of the employer, your job title, and your specific role and responsibilities for each experience. If you do not have this type of experience, type "n/a". **Do not write "see resume" or "see application".**

3. Please detail your experience in planning and managing projects and electrical programs. Please include capital projects planning and scheduled outages. Be specific regarding the type of project or program, the tasks you performed, the number and roles of members on the team, if any. Include the name of the employer and your job title for each experience. If you do not have this type of experience, type "n/a". **Do not write "see resume" or "see application".**

4. Please describe your experience in managing operating budgets and capital projects. Include the actual duties you performed. When and where did the experience occur? Include the name of the employer and your job title for each experience. If you do not have such experience, type "n/a". **Do not write "see resume" or "see application".**
